NOTICES

COVID: In line with government guidance and current infection rates, we are now leaving it up to individuals to decide which protective measures they wish to take (gel, masks, social distancing etc). But **please do be considerate towards others** who may be being more cautious than you are.

PRAYER: 'Praying the Streets' – this week for all those in *Benton Street, Carders Close & Cross Maltings*.

GOOD NEWS TO TELL: We are organising four workshops to help us with the practical aspects of talking about our faith. Sign-up today and indicate the time(s) that would best suit you.

PASTORAL SUPPORT GROUP: All those involved in providing pastoral support are welcome to the meeting on Thursday (see diary). Speak to Bryn or Claire if you need a lift.

THE BIG PLASTIC COUNT: Join the UK's biggest plastic investigation... Count your plastic for one week, 16-22 May. Across the country, households of all shapes and sizes, schools, community groups and businesses, will gather new evidence. How much plastic are we really having to throw away, and what happens to it? We'll show the government it's time to commit: reduce single plastic use by 50% by 2025 by switching to reusable options that work for everyone – and ban sending our waste to other countries. Find out more and sign up at www.thebigplasticcount.com

DISCUSSING MARRIAGE & SEXUALITY: Please make sure you pick up a leaflet outlining the next steps in our discussions. It also gives details of an important survey that we'd like you to complete.

SYNOD BIG DAY OUT: Booking form with details and sign-up sheet for transport available today!

REPORTS: As usual we will be producing a *Book of Reports* prior to the Church AGM. If you have a report to contribute, please send it to Claire by **Sun 22 May**.

If you have a prayer request or practical need please speak to Bryn, Claire or one of the other elders
