Good News to Tell: Change for Good

Acts 26

3pm Messy Church

Year of Jubilee!

In line with government guidance and current covid infection rates, we are now leaving it up to individuals to decide which protective measures they wish to take (gel, masks, social distancing etc). But **please do be considerate towards others** who may be being more cautious than you are.

PRAYER: 'Praying the Streets' – this week for all those in *Castle Road & Castle Rise*.

GOOD NEWS TO TELL WORKSHOPS: Last week we had the first in our series of workshops aimed at increasing our confidence in talking about our faith, as we explored how to explain the Good News Story. This week – *Thu 23 Jun 7:30pm* – we'll be looking at how to share our own stories of faith. If you didn't come to the first session but would like to attend, you'd be more than welcome.

BRING-AND-SHARE LUNCH: Next Sunday after service we'll be having the next gathering to explore marriage and sexuality as a church family. In this session we'll be looking at the results from the recent survey and sharing how they will shape the programme of events to follow. We'll remind ourselves of the Objectives outlined in the recent leaflet, along with the Covenant for Dialogue and Debate in church (both still available in church) – and commit ourselves to them. We'll also be having a discussion around the broad theme of marriage. All this, around lunch together! Bring what you can and still come if you can't bring anything. We aim to be finished by 1:30pm.
